## Payment Gateway Charges Policy

### **Transaction Fees**

When placing an order on our website, you may incur transaction fees charged by the payment gateway provider. These fees are determined by the payment gateway and are not controlled by bizwisor.com.

### **Currency Conversion**

If you make a purchase using a currency other than the currency supported by our website, your payment may be subject to currency conversion fees charged by your bank or payment provider. These fees are not controlled by bizwisor.com.

### **Refunds and Chargebacks**

In the event of a refund or chargeback, any transaction fees incurred during the original order purchase may not be refunded. Additionally, you may be responsible for any chargeback fees assessed by your bank or payment provider.
